THIS LICENCE IS AGREED BETWEEN

1 Beech Tree Publishing of 10 Watford Close, Guildford, Surrey GU1 2EP, UK ("the Publisher")

and

2 the institution or individual person accessing our journals online ("the Licensee")

WHEREAS the Publisher holds the rights granted under this Licence

AND WHEREAS the Licensee desires to use the rights and the Publisher desires to grant to the Licensee the licence to use the rights for the Fee, subject to the terms and conditions of this Licence.
The institution accessing the Publisher's online journals ("the Licensee")

IT IS AGREED AS FOLLOWS: -

1. KEY DEFINITIONS

1.1 In this Licence, the following terms shall have the following meanings: -

Agent A third party appointed from time to time by the Licensee to act on the Licensee's behalf, who may undertake any or all of the obligations of the Licensee under this Licence, as agreed between the Licensee and the Agent.

Authorised Users current employees or members of the faculty and other staff of the Licensee (whether on a permanent, temporary, contract or visiting basis) and individuals who are currently studying at the Licensee's institution, who are permitted to access the Secure Network from within the Library Premises or from such other places where Authorised Users work or study (including but not limited to Authorised Users' offices and homes, halls of residence and student dormitories) and who have been issued by the Licensee with a password or other authentication together with other persons who are permitted to use the Licensee's library or information service and access the Secure Network but only from computer terminals within the Library Premises.

Commercial Use Use for the purposes of monetary reward (whether by or for the Licensee or an Authorised User) by means of sale, resale, loan, transfer, hire or other form of exploitation of the Licensed Materials. For the avoidance of doubt, neither recovery of direct costs by the Licensee from Authorised Users, nor use by the Licensee or by an Authorised User of the Licensed Materials in the course of research funded by a commercial organisation, is deemed to be Commercial Use.

Course Packs A collection or compilation of materials (e.g. book chapters, journal articles) assembled by members of staff of the Licensee for use by students in a class for the purposes of instruction.

Electronic Reserve Electronic copies of materials (e.g. book chapters, journal articles) made and stored on the Secure Network by the Licensee for use by students in connection with specific courses of instruction offered by the Licensee to its students.

Fee The Fee set out in Schedule 1 or in new Schedules to this Licence which may be agreed by the parties from time to time.

Library Premises The physical premises of the library or libraries operated by the Licensee, as specified in Schedule 2.

Publisher's Representative A third party appointed from time to time by the Publisher to act on the Publisher's behalf, who may execute this Licence on behalf of the Publisher and undertake any or all of the Publisher's obligations under this Licence, as agreed between the Publisher and the Publisher's Representative.

Licensed Materials The electronic material as set out in Schedule 1 or in new Schedules to this Licence that may be agreed by the parties from time to time.

Secure Network A network (whether a standalone network or a virtual network within the Internet) which is only accessible to Authorised Users approved by the Licensee whose identity is authenticated at the time of log-in and periodically thereafter consistent with current best practice, and whose conduct is subject to regulation by the Licensee.

Server The server, either the Publisher's server or a third party server designated by the Publisher, on which the Licensed Materials are mounted and may be accessed.

Subscription Period That period nominally covered by the volumes and issues of the Licensed Material listed in Schedule 1, regardless of the actual date of publication.

2. AGREEMENT

2.1 The Publisher agrees to grant to the Licensee the non-exclusive and non-transferable right, throughout the world, to give Authorised Users access to the Licensed Materials via a Secure Network for purposes including research, teaching and private study, subject to the terms and conditions of this Licence, and the Licensee agrees to pay the Fee. The Agent will be responsible for processing payment of the Fee (and will be entitled to receive any refund of the Fee) on behalf of the Licensee, unless notified otherwise, in which case the Fee will be paid by the Licensee direct to the Publisher or Publisher's Representative.

2.2 This Licence shall commence at the beginning of the Subscription Period, for each of the Licensed Materials as set out in Schedule 1 or in new Schedules to this Licence that may be added subsequently; and shall automatically terminate at the end of the Subscription Period, unless the parties have previously agreed to renew it.

2.3 On termination of this License, the Publisher shall provide continuing access for Authorised Users to that part of the Licensed Materials which was published and paid for within the Subscription Period, either from the Server or from the archive described in 7.4 or by supplying electronic files to the Licensee subject to payment of such fees as the parties may agree except where such termination is due to a breach of the License by the Licensee which the Licensee has failed to remedy as provided in 10.1.1 and 10.1.3 of this License, in which case such continuing access shall be provided in respect of Licensed Materials published up to the date of such breach.

3. USAGE RIGHTS

3.1 The Licensee, subject to clause 6 below, may:

- 3.1.1 Load the Licensed Materials on the Licensee's server on the Secure Network.

- 3.3 Nothing in this Licence shall in any way exclude, modify or affect any of the Licensee's rights under Copyright Revision Act 1976 as amended subsequently provided that such rights are exercised in accordance with Section 108 of the Act and with the guidelines developed by the National Commission on New Technological Uses of Copyrighted Works (CONTU Guidelines) and published in U.S. Copyright Office Circular 21.

4. SUPPLY OF COPIES TO OTHER LIBRARIES

- 4.1 Notwithstanding the provisions of Clauses 3.1 and 3.3, it is understood and agreed that neither the Licensee nor Authorised Users may provide, by electronic means, to a user at another library a copy of any part of the Licensed Materials for research or private study or otherwise.

5. COURSE PACKS AND ELECTRONIC RESERVE

- 5.1 The Licensee may, subject to clause 6 below, incorporate parts of the Licensed Materials in printed Course Packs and Electronic Reserve collections for the use of Authorised Users in the course of instruction at the Licensee's institution, but not for Commercial Use. Each such item shall carry appropriate acknowledgement of the source, listing title and author of the extract, title and author of the work, and the publisher. Copies of such items shall be deleted by the Licensee when they are no longer used for such purpose. Course packs in non-electronic non-print perceptible form, such as audio or Braille, may also be offered to Authorised Users who, in the reasonable opinion of the Licensee, are visually impaired.

6. PROHIBITED USES

6.1 Neither the Licensee nor Authorised Users may:

6.1.1 remove or alter the authors' names or the Publisher's copyright notices or other means of identification or disclaimers as they appear in the Licensed Materials;

6.1.2 systematically make print or electronic copies of multiple extracts of the Licensed Materials for any purpose other than back-up copies permitted under clause 3.1.2;

6.1.3 mount or distribute any part of the Licensed Material on any electronic network, including without limitation the Internet and the World Wide Web, other than the Secure Network

6.2 The Publisher or Publisher's Representative's explicit written permission must be obtained in order to:

6.2.1 use all or any part of the Licensed Materials for any Commercial Use;

6.2.2 systematically distribute the whole or any part of the Licensed Materials to anyone other than Authorised Users;

6.2.3 publish, distribute or make available the Licensed Materials, works based on the Licensed Materials or works which combine them with any other material, other than as permitted in this Licence;

6.2.4 alter, abridge, adapt or modify the Licensed Materials, except to the extent necessary to make them perceptible on a computer screen or as otherwise permitted in this Licence, to Authorised Users. For the avoidance of doubt, no alteration of the words or their order is permitted.

7. PUBLISHER'S UNDERTAKINGS

7.1 The Publisher warrants to the Licensee that the Licensed Materials used as contemplated by this Licence do not infringe the copyright or any other proprietary or intellectual property rights of any person. The Publisher shall indemnify and hold the Licensee harmless from and against any loss, damage, costs, liability and expenses (including reasonable legal and professional fees) arising out of any legal action taken against the Licensee claiming actual or alleged infringement of such rights. This indemnity shall survive the termination of this Licence for any reason. This indemnity shall not apply if the Licensee has amended the Licensed Materials in any way not permitted by this Licence.

7.2 The Publisher shall:

7.2.1 make the Licensed Materials available to the Licensee from the Server in the media, format and time schedule specified in Schedule 1. The Publisher will notify the Licensee and/or the Agent at least sixty (60) days in advance of any anticipated specification change applicable to the Licensed Materials. If the changes render the Licensed Materials less useful in a material respect to the Licensee, the Licensee may within thirty days of such notice treat such changes as a breach of this Licence under clause 10.1.2 and 10.4.

7.2.2 use reasonable endeavours to make available the electronic copy of each journal issue in the Licensed Materials not later than the day of publication of the printed version. In the event that for technical reasons this is not possible for any particular journal, as a matter of course, such journal shall be identified at the time of licensing, together with such reasons.

7.2.3 provide the Licensee and the Agent, within 30 days of the date of this Licence, with information sufficient to enable the Licensee to access the Licensed Material.

7.2.4 use reasonable endeavours to ensure that the Server has adequate capacity and bandwidth to support the usage of the Licensee at a level commensurate with the standards of availability for information services of similar scope operating via the World Wide Web, as such standards evolve from time to time over the term of this Licence.

7.2.5 use reasonable endeavours to make the Licensed Materials available to the Licensee and to Authorised Users at all times and on a twenty-four hour basis, save for routine maintenance which shall be notified to the Licensee in advance wherever possible, and to restore access to the Licensed Materials as soon as possible in the event of an interruption or suspension of the service.

7.3 The Publisher reserves the right at any time to withdraw from the Licensed Materials any item or part of an item for which it no longer retains the right to publish, or which it has reasonable grounds to believe infringes copyright or is defamatory, obscene, unlawful or otherwise objectionable. The Publisher shall give written notice to the Licensee of such withdrawal. If the withdrawal represents more than ten per cent (10%) of the book, journal or other publication in which it appeared, the Publisher shall refund to the Licensee that part of the Fee that is in proportion to the amount of material withdrawn and the remaining un-expired portion of the Subscription Period.

7.5 Collection and analysis of data on the usage of the Licensed Materials will assist both the Publisher and the Licensee to understand the impact of this License. The Publisher shall provide to the Licensee or facilitate the collection and provision to the Licensee and the Publisher by the Licensee or by the Agent of such usage data on the number of abstracts and of articles downloaded, by journal title, on a monthly basis for the Publisher's and the Licensee's private internal use only. Such usage data shall be compiled in a manner consistent with applicable privacy and data protection laws and as may be agreed between the parties from time to time, and the anonymity of individual users and the confidentiality of their searches shall be fully protected. In the case that the Publisher assigns its rights to another party under clause 11.3, the Licensee may at its discretion require the assignee either to keep such usage information confidential or to destroy it.

7.6 Except as expressly provided in this License, the Publisher makes no representations or warranties of any kind, express or implied, including, but not limited to, warranties of design, accuracy of the information contained in the Licensed Materials, merchantability or fitness of use for a particular purpose. The Licensed Materials are supplied 'as is'.

7.7 Except as provided in clause 7.1, under no circumstances shall the Publisher or the Publisher's Representative be liable to the Licensee or any other person, including but not limited to Authorised Users, for any special, exemplary, incidental or consequential damages of any character arising out of the inability to use, or the use of, the Licensed Materials. Irrespective of the cause or form of action, the Publisher's aggregate liability for any claims, losses, or damages arising out of any breach of this Licence shall in no circumstances exceed the Fee paid by Licensee to the Publisher under this Licence in respect of the Subscription Period during which such claim, loss or damage occurred. The foregoing limitation of liability and exclusion of certain damages shall apply regardless of the success or effectiveness of other remedies. Regardless of the cause or form of action, the Licensee may bring no action arising from this Licence more than 12 (twelve months after the cause of action arises).

8. LICENSEE'S UNDERTAKINGS

8.1 The Licensee shall:

8.1.1 use reasonable endeavours to ensure that all Authorised Users are appropriately notified of the importance of respecting the intellectual property rights in the Licensed Materials and of the sanctions which the Licensee imposes for failing to do so, as specified in Schedule 3;

8.1.2 use reasonable endeavours to notify Authorised Users of the terms and conditions of this Licence and take steps to protect the Licensed Materials from unauthorised use or other breach of this Licence;

8.1.3 use reasonable endeavours to monitor compliance and immediately upon becoming aware of any unauthorised use or other breach, inform the Publisher and take all reasonable and appropriate steps, including disciplinary action, both to ensure that such activity ceases and to prevent any recurrence;

8.1.4 issue passwords or other access information only to Authorised Users and use all reasonable endeavours to ensure that Authorised Users do not divulge their passwords or other access information to any third party;

8.1.5 provide the Publisher, within 30 days of the date of this Agreement, with information sufficient to enable the Publisher to provide access to the Licensed Material in accordance with its obligation under clause 7.2.3. Should the Licensee make any significant change to such information, it will notify the Publisher not less than ten (10) days before the change takes effect.

8.1.6 keep full and up-to-date records of all IP addresses and provide the Publisher with details of such additions, deletions or other alterations to such records as are necessary to enable the Publisher to provide Authorised Users with access to the Licensed Materials as contemplated by this Licence;

8.1.7 use reasonable endeavours to ensure that only Authorised Users are permitted access to the Licensed Materials.

8.2 Subject to applicable law, the Licensee agrees to indemnify, defend and hold the Publisher harmless from and against any loss, damage, costs, liability and expenses (including reasonable legal and professional fees) arising out of any claim or legal action taken against the Publisher related to or in any way connected with any use of the Licensed Materials by the Licensee or Authorised Users or any failure by the Licensee to perform its obligations in relation to this Licence, provided that nothing in this Licence shall make the Licensee liable for breach of the terms of the Licence by any Authorised User provided that the Licensee did not cause, knowingly assist or condone the continuation of such breach to continue after becoming aware of an actual breach having occurred.

8.3 The Licensee shall, in consideration for the rights granted under this Licence, pay the Fee and receipt of such payment shall be a condition of this Licence coming into effect. For the avoidance of doubt, the Fee shall be exclusive of any sales, use, value added or similar taxes and the Licensee shall be liable for any such taxes in addition to the Fee.

9. UNDERTAKINGS BY BOTH PARTIES

9.1 Each party shall use its best endeavours to safeguard the intellectual property, confidential information and proprietary rights of the other party.

10. TERM AND TERMINATION

10.1 In addition to automatic termination (unless renewed) under clause 2.2, this Licence shall be terminated:

10.1.1 if the Licensee defaults in making payment of the Fee as provided in this Licence;

10.1.2 if the Publisher commits a material or persistent breach of any term of this Licence and fails to remedy the breach (if capable of remedy) within sixty (60) days of notification in writing by the Licensee;

10.1.3 if the Licensee commits a wilful material and persistent breach of the Publisher's copyright or other intellectual property rights or of the provisions of clause 3 in respect of usage rights or of clause 6 in respect of prohibited uses;

10.1.4 if either party becomes insolvent or becomes subject to receivership, liquidation or similar external administration.

10.2 On termination all rights and obligations of the parties automatically terminate except for obligations in respect of Licensed Materials to which access continues to be permitted as provided in clause 2.3.

10.3 On termination of this Licence for cause, as specified in clauses 10.1.1 and 10.1.3, the Licensee shall immediately cease to distribute or make available the Licensed Materials to Authorised Users except as provided in clause 2.3.

10.4 On termination of this Licence by the Licensee for cause, as specified in clause 10.1.2 above, the Publisher shall forthwith refund the proportion of the Fee that represents the paid but un-expired part of the Subscription Period.

11. GENERAL

11.1 This Licence constitutes the entire agreement of the parties and supersedes all prior communications, understandings and agreements relating to the subject matter of this Licence, whether oral or written.

11.2 Alterations to this Licence and to the Schedules to this Licence are only valid if they are recorded in writing and signed by both parties.

11.3 This Licence may not be assigned by either party to any other person or organisation, nor may either party sub-contract any of its obligations, except as provided in this Licence in respect of the Agent and the management and operation of the Server and the Publisher's Representative, without the prior written consent of the other party, which consent shall not unreasonably be withheld.

11.4 If rights in all or any part of the Licensed Materials are assigned to another publisher, the Publisher shall use its best endeavours to ensure that the terms and conditions of this Licence are maintained.

11.5 Any notices to be served on either of the parties by the other shall be sent by prepaid recorded delivery or registered post to the address of the addressee as set out in this Licence or to such other address as notified by either party to the other as its address for service of notices. All such notices shall be deemed to have been received within 14 days of posting.

11.6 Neither party's delay or failure to perform any provision of this Licence, as result of circumstances beyond its control (including, without limitation, war, strikes, floods, governmental restrictions, power, telecommunications or Internet failures, or damage to or destruction of any network facilities) shall be deemed to be, or to give rise to, a breach of this Licence.

11.7 The invalidity or un-enforceability of any provision of this Licence shall not affect the continuation or enforceability of the remainder of this Licence.

11.8 Either party's waiver, or failure to require performance by the other, of any provision of this Licence will not affect its full right to require such performance at any subsequent time, or be taken or held to be a waiver of the provision itself.

12. USE OF AN EXPERT TO RESOLVE DISPUTES

12.1 If any difference arises between the parties on the meaning of this Licence or their rights and obligations, it shall first be referred to an independent expert appointed by agreement of the parties, or, in default of an agreement, by the President for the time being of a professional or academic body.

12.2 Any expert so appointed shall act as expert and not as an arbitrator and his decision (which shall be given by him in writing stating the reasons for his decision) shall be final and binding on the parties.

12.3 Each party shall provide the expert with such information as he may reasonably require for the purposes of his decision.

12.4 The costs of the expert shall be borne by the parties in such proportions as the expert may determine to be fair and reasonable or, if no determination is made by the expert, by the parties in equal proportions.
